

# Political Islam

Adopted From Dr. Bill Warner's Books

**Introduction**--I use the term "political Islam" because that is the very nature of Islam. Our main stream media of disinformation and bias has distorted what true Islam is all about. This study will attempt to approach Islam from a purely objective viewpoint.

Basically, Islam is both a **religion** and a **political** system. In fact, the political aspect is dominant. This is a great distinction from Christianity, which may attempt to influence a government, morally, but does not attempt to dominate it. Christianity has existed under many different types of governments. True Islam can only function under Sharia Law.

Also, Islam is based on much more than the Koran. The Koran basically tells us to live as **Mohammed** did. So, in order to fully grasp Islam you will need to understand three books:

1. **The Koran**--this is what Mohammed said that the angel Gabriel said that Allah said.
  - \*2. **The Sira**--this is Mohammed's autobiography.
  - \*3. **The Hadith**—stories, sayings, traditions of Mohammed. Most commonly used is Bukhari.
- \*#2 and #3 make up the Sunna (Mohammed's way) which is approximately 85% of the teaching of Islam. So, basically if you understand Mohamad's life you have the basics & more of Islam.

**Part 1 The Kafir**-- "Unbeliever" but with an abusive, extremely prejudiced slant. Kafir is the **worst word** in the human language. A kafir is not merely someone who does not agree with Islam, but a kafir is evil, disgusting, the lowest form of life. Kafir includes idolaters, polytheists, atheists, People of the Book (Christians and Jews) Buddhists, pagans etc. Islam devotes a great amount of energy to the Kafir. The majority (64%) of the Koran is devoted to the Kafir, and nearly all of the Sira (81%) deals with Mohammed's struggle with them. The Hadith (Traditions) devotes 32% of the text to Kafirs. Overall, the Trilogy devotes about **60%** of its content to the Kafir.

**Hated**- 40:35 They who dispute the signs of Allah [kafirs] without authority having reached them are greatly hated by Allah and the believers. So Allah seals up every arrogant, disdainful heart. And is despised by Allah.

**Mocked**- 83:34 On that day the faithful will mock the kafirs, while they sit on bridal couches and watch them. Should not the kafirs be paid back for what they did?

**Punished**- 25:77 Say to the kafirs: My Lord does not care for you or your prayers. You have rejected the truth, so sooner or later, a punishment will come.

**Beheaded**- 47:4 When you encounter the kafirs on the battlefield, cut off their heads until you have thoroughly defeated them and then take the prisoners and tie them up firmly.

**Confused**- 6:25 Some among them listen to you [Mohammed], but We have cast veils over their [kafirs] hearts and a heaviness to their ears so that they cannot understand our signs [the Koran].

**Plotted against**- 86:15 They plot and scheme against you [Mohammed], and I plot and scheme against them. Therefore, deal calmly with the kafirs and leave them alone for a while.

**Terrorized**- 8:12 Then your Lord spoke to His angels and said, "I will be with you. Give strength to the believers. I will send terror into the kafirs' hearts, cut off their heads and even the tips of their fingers!"

**Annihilated**- 6:45 So the kafirs were annihilated. All praise be to Allah, the Lord of the worlds.

**Killed**- 4:91 If they do not keep away from you or offer you peace or withdraw their hostilities, then seize them and kill them wherever they are. We give you complete authority over them.

**Crucified**- 5:33 The only reward for those who war against Allah and His messengers and strive to com-mit mischief on the earth is that they will be slain or crucified, have their alternate hands and feet cut off, or be banished from the land. This will be their disgrace in this world, and a great torment shall be theirs in the next except those who repent before you overpower them. Know that Allah is forgiving and merciful.

**Made war on**- 9:29 Make war on those who have received the Scriptures [Jews and Christians] but do not believe in Allah or in the Last Day. They do not forbid what Allah and His Messenger have forbidden. The Christians and Jews do not follow the religion of truth until they submit and pay the poll tax [jizya], and they are humiliated.

**A Muslim is not the friend of a kafir**- 3:28 Believers should not take kafirs as friends in preference to other believers. Those who do this will have none of Allah's protection and will only have themselves as guards. Allah warns you to fear Him for all will return to Him.

**A kafir is ignorant**- 6:111 Even if We had sent down the angels to them [kafirs], the dead had spoken to them, and We had gathered all things before their eyes, they would not believe unless Allah had willed it, but most of them are ignorant.

**Evil**- 23:97 And say: Oh my Lord! I seek refuge with You from the suggestions of the evil ones [kafirs]. And I seek refuge with you, my Lord, from their presence.

**Disgraced**- 37:18 Tell them, "Yes! And you [kafirs] will be disgraced." a partner of Satan 25:55 And still they worship others besides Allah who can neither help nor hurt them. The kafir is Satan's ally against Allah. Unclean- 9:28 Oh, believers, only the kafirs are unclean.

**Cursed**- 33:60 They [kafirs] will be cursed, and wherever they are found, they will be seized and murdered. It was Allah's same practice with those who came before them, and you will find no change in Allah's ways.

**Stolen from**- Bukhari 5,59,537 On the day of Khaybar, Allah's Apostle divided the spoils of war of Khaybar with the ratio of two shares for the horse and one share for the foot soldier.

**Raped**- Ishaq 759 [Mohammed's official biography] On the occasion of Khaybar, Mohammed put forth new orders about forcing sex with captive women. If the woman was pregnant she was not to be used for sex until after the birth of the child. Nor were any women to be used for sex who were unclean with regard to Muslim laws about menstruation.

Christians and Jews are infidels, but infidels are kafirs, too. Polytheists are Hindus, but they are also kafirs. The terms infidel and polytheist are religious words. Only the word "kafir" shows the common political treatment of Christian, Jew, Hindu, Buddhist, animist, atheist and humanist.

The word kafir should be used instead of "unbeliever", the standard word. Unbeliever is a neutral term. The Koran defines the kafir and kafir is not a neutral word. A kafir is not merely someone who does not agree with Islam, but a kafir is **evil, disgusting, the lowest form of life**. Kafirs can be tortured, killed, lied to and cheated. So the usual word "unbeliever" does not reflect the political reality of Islam.

**People of the Book**—Christian and Jews. Islam’s definition—Islam tells Christians and Jews that they are special. They are “People of the Book” and are brothers in the Abrahamic faith. But in Islam you are a Christian, if and only if, you believe that Christ was a man who was a prophet of Allah; there is no Trinity; Jesus was not crucified nor resurrected and that He will return to establish Sharia law. To be a true Jew you must believe that Mohammed is the **last** in the line of Jewish prophets.

**Political Nature of Islam**—Remember the Danish artist who drew cartoons of Mohammed? This caused weeks of rioting, threats, killings, assassinations, lawsuits and general destruction. That’s what makes Islam political. If Muslims, themselves, wanted to respect Mohamed by never criticizing or joking about him and taking his words as sacred, that would be religious. But to threaten, pressure, hurt, etc. Kafirs for not doing the same respect, then that is political. When the mainstream media agreed not to publish these cartoons, that was a **political response** not a religious one. Our mainstream media agreed to set aside the First Amendment of the Constitution and abide by Sharia Law.

Sixty percent of the Koran is political in nature and deals with the Kafir. Since Muslims cannot have any relationship with the Kafir, that content is all political. This is of major importance. Likewise, most of the Life of Mohammed, The Sira, is political as he struggles against the Kafir.

The Koran specifically forbids any relationship with the Kafir who are going to Hell, while the Muslims go to Paradise. They are instructed/commanded to dominate the Kafir politically and religiously. Islam’s success has come from its political side. It is important in our study that we see this as both a religion and a political system because as a political system we can critique it, much in the same way we would Communism or Socialism. As a religion, Mohammed’s persuasion had only a handful of followers, but as he became a political leader and a warrior Islam grew quickly under his coercion.

**The Apologist**—This view of Islam is very dangerous because it accepts and tolerates Islam without really understanding Islam. It is the commonly held view or position of most American political leaders and the mainstream media. When President Bush nationally proclaimed “that Islam was a religion of peace” he was being an apologist. He either ignored what Islam is, or he was ignorant of what Islam is.

For Example: *“In Medina, Mohammed sat all day long beside his 12-year-old wife while they watched as the heads of 800 Jews were removed by sword. Their heads were cut off because they had said that Mohammed was not the prophet of Allah. Muslims view these deaths as necessary because denying Mohammed’s prophet-hood was, and remains, an offense against Islam. They were beheaded because it is sanctioned by Allah.”* (The Life of Muhammad, A. Guillaume, Oxford University Press, 1982, pg. 464)

>To the Muslim this was honorable, justified, necessary, sanctioned by Allah.

>To the Kafir it was an evil act and proof of the violent nature of Islam (jihad).

>To the Apologist it was an historical act, many cultures have had such violent acts/times, in fact, look at what Christians did during the Inquisition.

We will be looking at Islam from the Kafir point of view and how it affects Kafirs and with the political side in mind. There will be little concern about the religious aspect. The focus of religion is how to attain Paradise and avoid Hell and deals with Muslims. We are not going to concern ourselves with Muslims but with the political side of Islam since it is very **destructive, militant, and aggressive**. It is a political ideology. Your Muslim associations may not act this way but until you understand the duality of Islam you will be confused.
