## Part 6—the Christians

We come again to another duality. On one hand Christianity and Islam are brothers—all the way back to Abraham. On the other hand Christians must **submit** to Islam. Modern Christians want to try to build a bridge between the two. Their assumption is that we are basically the same, worship the same God who just has different names and we just use different books. This is the mantra of the apologists. It has even led to a modern movement called **Chrislam**. However, there are some important differences which we will look at next. The problem is the Muslim really know Christianity but the Christian does **NOT KNOW** Islam. Remember we are Kafir!

*“If you know the enemy and know yourself, you need not fear the result of a hundred battles. If you know yourself but not the enemy, for every victory gained you will also suffer a defeat. If you know neither the enemy nor yourself, you will succumb in every battle.” ---Sun Tzu Art of War*

Some may ask, “why put a quote in from the Art of War”? First, it is my opinion, we are at war, we just don't realize it which makes everything very dangerous for Christians according to Sun Tzu. We forget that most of the Middle East, North Africa and Turkey (Asia Minor) which are now totally Muslim, were once Christian strongholds because it is where Christianity started.

Second, the last two parts of the quote accurately describes most Christians. You see, many, if not most Christians today (and the apologists) are actually described in the third condition. Most Christians do NOT know what they believe and they certainly do not know what Islam believes except what they have been told by the apologists.

I have to admit when I began this summer Islam trek I knew what I believed and thought I understood Islam. But I soon realized how ignorant I really was and how many misconceptions I had about Islam that I had probably garnered indirectly from the apologists. Remember, Muslims follow Mohammed's method, he is the perfect example. His method was to first deceive Christians and then destroy Christians. The deception in America seems to be well underway if not actually in advanced stages, in my opinion.

In order for Christians (Kafir) to submit to Islam we would have to give us some things. First of all, we would have to give up the Bible because it is not the same as the Koran. In fact, Muslims view the Bible as a **corrupted, erroneous** document. Secondly, we would have to submit to Muslims in the sense that we could not coexist on equal footing and they are commanded to dominate, even denigrate us. Remember the dhimmis? Furthermore, we do not serve the same God. The Christian God is a Trinity and we are seen as polytheists (worshiping more than one God) by the Muslims. The Trinity teaching is an **offense** to Allah. Likewise, we would have to give up Jesus' position as the Son of God, God the Son. The Koran teaches that Jesus was just a prophet of Allah and that he did not die on the

cross nor did he resurrect. Jesus was actually **Muslim**. Lastly, we also cannot pray together. According to the Koran, for a Muslim to pray with a polytheist would result in him being penalized to hell. As you can see from these basic differences it is impossible to have Chrislam and we are at war! If Jesus is not God the Son, then there is no **Christianity!**

Remember the Middle East, North Africa, and Turkey were once Christian bastions. Muslims infiltrated and did not choose to coexist because Mohammed did not so they won't. They undermined the political systems and eventually destroyed all Christians. It is estimated that 60 million Christians have died from the political process of jihad. In Turkey alone, a million Armenians were killed in the 1900's. This is in addition to the murder of 80 million Buddhists, 120 million Africans. ([http:// www.politicalislam.com/ tears-of-jihad/](http://www.politicalislam.com/tears-of-jihad/))

Remember the seven churches of Asia mentioned in Revelation 1-3. What happened to them? These were vibrant churches along with many others in Asia. Remember Asia at that time was Asia Minor or modern-day Turkey!! All of those churches have been destroyed by Muslim takeover. The final complete takeover of Turkey finalizing in the 1900's.

The process is quite simple. Infiltrate into the country, culture and government by stealth, take over the government and install Islam, Sharia law. With Sharia law Christians nor Jews have no civil rights and are forced into dhimmitude with excessive taxes required and humiliation in public.

Ignorance is a key weapon for Islam, our ignorance. Their dualistic approach allows them to be on one side or the other whichever suits the current condition. They are peaceful. Or they are destructive. Whichever works at the time. But understand this. The Koran and the example of Mohammed tells the Muslim to struggle against and dominate every single kafir. They will not quit until every kafir is dead or subjugated.
